

As the old saying goes, there's no such thing as a free lunch. We agree, and it's true also for this invitation – in exchange for the lunch you will enjoy the virtual company of one of our consultants for the better part of an hour 😊

Since we had no choice but to cancel all our planned student events for this spring in response to the COVID-19 outbreak, we decided to offer students the opportunity to learn about strategy consulting and August over a casual **virtual lunch with one of our consultants** during May.

The opportunity is intended **primarily for students finishing their 2nd year of studies** who are curious to **learn about the strategy consulting profession and what it's like at August**. Depending on preferences, the set-up for the lunch can be one-on-one, or you can join with one or two of your fellow students. You will be treated to a lunch delivered to your doorstep and get a unique chance to get to know one of our consultants in person.

The number of slots is limited, don't hesitate to sign up!

RSVP: 8.5.2020 (le.thuy@august.fi).

Headline your email "Virtual lunch in May" and include your name and year of study. Please also describe in a few sentences why this opportunity interests you and what you would like to learn about during the lunch. If you prefer to join with one or two of your fellow students, please include also their name(s) and year(s) of study. Regarding the schedule and practical details related to the lunch, we will get back to you after the deadline.
